"One more box one more happy child"

Over the past 23 years schools, companies and individuals have donated gifts to thousands of needy children in orphanages, schools, hospitals and to the many children who have just been abandoned or are living in appalling conditions.

Your **Gift Boxes** will go to help children in Moldavia, Belarus, Romania and Ukraine.

So far we have made over 46,000 children happy!

For most it was the first gift they had ever received, a very special unexpected present, bringing a sparkle to their eyes and unimaginable joy.

The **Gift Boxes** include items our children would probably not appreciate, such as toothbrushes and toothpaste, soap and school supplies but to these children they are all very important items that make their lives a little easier. Needless to say the children especially enjoy the sweets and toys!

Want to help? Then please make a Gift Box so even more needy children can have a surprise. Thank you.

Please attach this customs slip visibly to your box

Wine cartons are strong & the right size just perfect for a gift box, please do gift wrap and then attach the customs list. A reusable bag attached helps the children carry their box home.

School bags/ backpacks can be used instead of a wine box.
